WHO ARE WE

Team MO-KAN is a community of donor families, living donors, organ, eye, and tissue recipients, families, friends, supporters, transplant professionals, and those awaiting transplantation across the states of Kansas and Missouri.

Our members are active in their local communities, helping to promote the cause of organ, eye, and tissue donation through educational awareness events.

OUR MISSION

To raise awareness of the life-saving importance of organ, eye, and tissue donation through the lives of our donor families, living donors, and organ, eye, and tissue recipients and those awaiting transplantation in the states of Kansas and Missouri. To increase the number of individuals registering to be organ, eye, and tissue donors in Kansas and Missouri by participating in local and regional awareness events promoting organ, eye, and tissue donation.

WHAT ARE THE TRANSPLANT GAMES OF AMERICA

The games are a bi-annual, celebration of life for individuals who have undergone an organ, eye, and tissue transplant surgery.

More than an athletic event, the Transplant Games of America serve to promote the health and fitness of its participants while showcasing the critical importance of organ, eye, and tissue donation, while celebrating the lives of organ donors, living donors and recipients.

WHO CAN ATTEND

Organ, eye, and tissue recipients: Those who have received a lifesaving kidney, pancreas, liver, heart, lung, intestine, or allogenic bone marrow/stem cell transplant. Tissue recipients include cornea, bone, skin and connective tissue.

Donor families: Families whose loved ones gave the Gift of Life through organ, eye, and tissue donation.

Living donors: Those who have given the Gift of Life through a lifesaving kidney or partial liver donation.

Family and friends: Supporters of donor families, living donors and organ, eye, and tissue transplant recipients.

Transplant professionals: Medical professionals working within the transplant field.
