Support Team MO-KAN and help raise awareness for organ, eye, and tissue donation in Kansas and Missouri and our future participation in the Transplant Games of America.

## WHO ARE WE

Team MO-KAN is a community of transplant recipients, donor families, living donors, friends and families from the states of Kansas and Missouri celebrating the Gift of Life. Our participation in the Transplant Games of America helps to raise awareness of the critical need for more organ and tissue donors in the U.S.

## WHAT ARE THE TRANSPLANT GAMES OF AMERICA

The Transplant Games of America is a multi-sport festival event for individuals who have undergone life-saving transplant surgeries. Competition events are open to living donors, organ transplant recipients, bone marrow recipients, and a limited number of corneal and tissue transplant recipients. More than an athletic event, the Transplant Games of America serve to promote health and fitness of its participants while showcasing the critical importance of organ, eye, and tissue donation, while celebrating the lives of organ donors and recipients.
